

PRACTICUM EXPERIENCE REVIEW

"My practicum at SBCC was an excellent foundation for my career. The team is incredibly supportive and made sure that I was getting an experience that met my program's requirements. I also appreciated that I had a smooth transition at the end of my practicum as I decided to continue my career as a clinician at SBCC."

PRACTICUM EXPERIENCE REVIEW

"I've truly enjoyed my practicum experience here at Secure Base Counseling Center. The mission statement of SBCC can be reflected both with the clients and with the staff. The staff at SBCC have been extremely supportive and I have been able to learn a great deal from everyone here. Questions are welcomed and appreciated and staff are always willing to collaborate with you and provide strategies to build connections and rapport with clients. The staff at SBCC empower not only each other but their clients as well, ensuring that quality of life is of most importance."

THE FACT THAT I WAS ABLE TO MANAGE MY OWN SCHEDULE WHICH INCLUDED EVENING AND WEEKEND OPTIONS WAS REALLY A LIFE SAVER FOR ME, I COULD NOT HAVE GOTTEN ALL OF MY HOURS IN ANY OTHER WAY. SBCC OFFERS A VARIETY OF OPTIONS (CTSS, ARMHS AND THERAPY) WHICH GIVES SUCH A WELL ROUNDED PRACTICUM EXPERIENCE FOR ANYONE. YOU ARE ABLE TO SELECT AREA/S THAT ARE OF INTEREST TO YOU AS THE STUDENT. I WOULD RECOMMEND ANYONE TO SBCC, MY EXPERIENCE WAS SO VALUABLE TO ME THAT I CONTINUE WORKING AS A CLINICAL TRAINEE TO THIS DATE.
